

Company policy

It is the policy of the entire company and each employee to:

1. Be our customers' partners and first choice in technology and automation.
2. Together with the customer develop products and services that meet our customers' needs.
3. Delivers complete functional solutions that meet the legal requirements of the Machinery Directive.
4. Deliver our products and services to the customer at the agreed time.
5. Towards customers and partners behave in such a way that we want to be treated ourselves.
6. Develop our employees' unique broad expertise.
7. Develop a workplace and a working climate that is attractive to all employees.
8. In a systematic way, drive and implement continuous improvements in the business to achieve higher quality of our deliveries and to improve the external and internal environment.
9. Meet the legal requirements of Evomatic's environmental investigation and all current laws.
10. We always consider our environmental impact throughout Evomatic's processing chain.
